

# HP500 Series

High Pressure Power and Relief Relief Valves

Model HP500 (p. 10) - HP500 (p. 11)

HP500

## Features

- High pressure design
- High pressure rating up to 25,000 psi (1,724 bar)
- High flow capacity
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve

## Specifications

- High pressure relief valve
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve
- High pressure relief valve

## Technical Data

Model	Pressure Rating (psi)	Flow Capacity (gpm)
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100
HP500	25,000	100

## How to Order

Ordering information for the HP500 Series valve. The drawing shows a side view of the valve with various dimensions and labels. The text below the drawing provides the specific part numbers and configurations for different models and options.

Ordering information for the HP500 Series valve. The drawing shows a top-down view of the valve head and relief valve assembly. The text below the drawing provides the specific part numbers and configurations for different models and options.
