

Thermocouple and RTD Assemblies

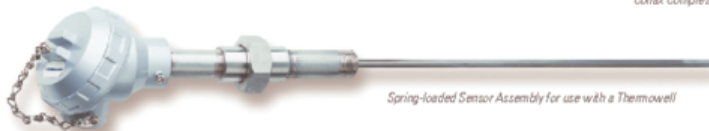

The Complete Guide to Temperature Sensors

CSAP Approved Sensor for Hazardous Environments

Sensor with a Conax B-Series Termination Head and Conax Compression Seal Fitting

Spring-loaded Sensor Assembly for use with a Thermowell

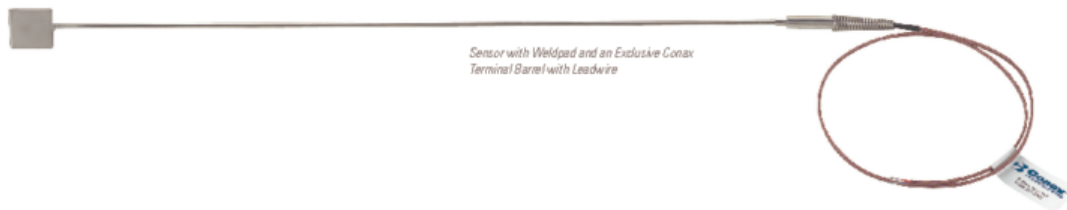

Multi-point Sensors with a Conax Compression Seal Fitting and Plug and Jack Terminations

Sensor with NEMA 4 Head and a Conax Programmable Transmitter

Spring-loaded Sensor with a Flanged Thermowell

Sensor with Weldpad and an Exclusive Conax Terminal Barrel with Leadwire

The Quality and Performance Leader
