

COMBITEC

Determination of
Concentration by
Density & Sound Velocity

Centec Process Sensors

Automated
process skills
and high-precision
sensors from a
single source,
Centec.

COMBITEC INNOVATION

Designed for the specific needs of industries, the COMBITEC® has a proven technology. The specialties of COMBITEC is made in efficient parts of the technology manufacturing process. Digital display, which can provide concentration with accuracy.

Technical Data

Technical Data	Measurement
Measurement Range	0 to 100%
Accuracy	±0.05%
Resolution	0.01%
